the potential scope of discovery on the added issues. However, before a schedule can be finalized, there are several matters which must be discussed at the hearing conference scheduled for Friday, February 11, 1994. These include the possibility that attorneys may be noticed for deposition.

2. The parties are mindful that the Judge has tentatively set a trial date of April 11, 1994. However, Leonard Greenebaum, one of Scripps Howard's attorneys, is scheduled to start a trial on April 4, 1994 which is expected to last 8 to 12 weeks. Therefore, the parties need to address this matter as well at the hearing conference.
